Hi David,

Attached are the revised talking points for our discussion with Cathy on our UIC permits in backlog.

I guess I dropped the ball and should have crafted talking points prior to Lydia's reminder. She is asking us to send this forward either by COB tonight or 9am tomorrow.

Feel free to provide comments or forward as you see fit.

Thanks much.

Hi Renee,

Could you take a look at the attached talking points and update the document by COB today or by 9:00 A.M. tomorrow? I want to include this in Cathy's prep notes for the MBR.

Thanks,
